PROFESSIONAL EXPERIENCE

July 2018 – August 2018
Addis Ababa, Ethiopia

Sales and On-boarding Specialist
Hello Cash

- Utilized strong communication skills to effectively convey the benefits and features of HelloCash's online payment system to potential customers.
- Actively participated in acquiring new users and contributed to driving the sales process for the company.
- Developed a deep understanding of HelloCash's services, allowing me to communicate complex information in a clear and concise manner to non-technical individuals.
- Researched and explored alternative solutions to address customer needs, ensuring the best approach was implemented.

June 2021 – September 2021
Addis Ababa, Ethiopia

Front End Developer
Marakisoft Technologies

- Participated and contributed to best practices to drive software development life-cycle.
- Communicated complex computer information in terminology that non-technical individuals could easily understand.
- Researched alternative solutions to problem space to decide best technical approaches.
- Implemented proven software patterns to allow maximum extensibility, reuse and test-ability.
- Engineered cross platform software.
- Collaborated to define, design and estimate time and resources for development initiatives
- Utilized unit testing and other methods to enhance quality.
- Designed user-friendly software interfaces to simplify overall management.

EDUCATION

Adama, Ethiopia

Computer Science and Engineering

Adama Science and Technology

Web development, Object-Oriented programming, data structures and algorithms, database systems, Computer architecture and organization, and programming basics are among the courses that have been completed.

Software Engineering

The ALX Holberton Software Engineering

The ALX Holberton Software Engineering Program is a 12-month (70-hour-per-week) immersive program that involves tech enthusiasts and aspiring software engineers in a variety of programs across in-demand tech disciplines to prepare us for a career as a Front-End Developer anywhere in the world.
